Connect the Pairs

Draw a line between the same pictures.

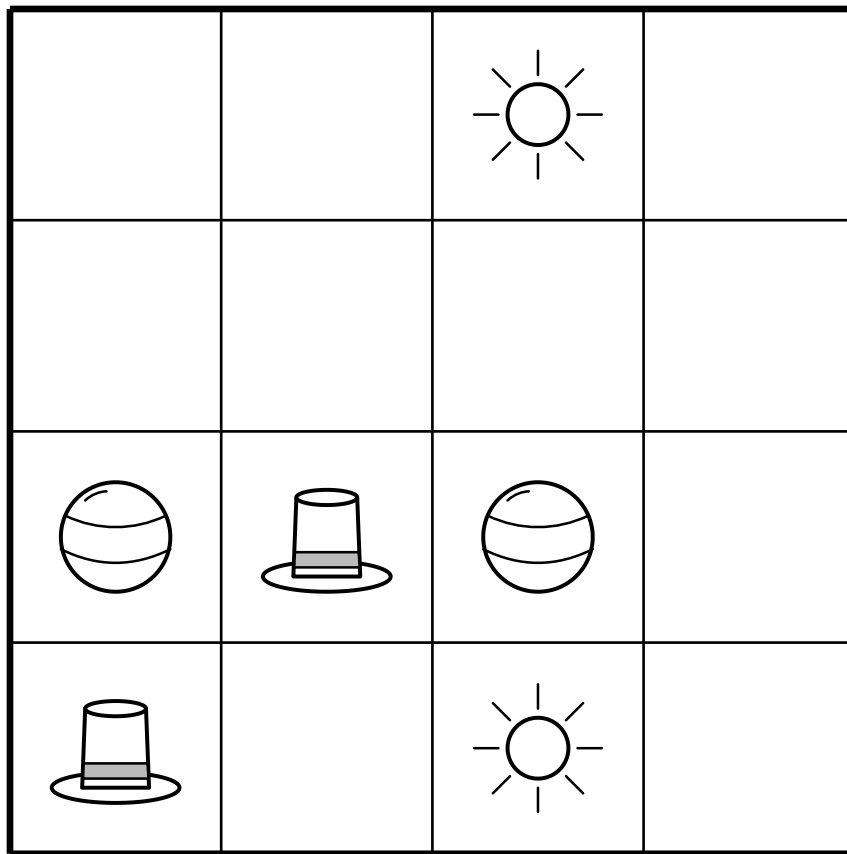

- 1 Go square to square, not corner to corner.
- 2 Lines can't cross.
- 3 Every square gets a line.

Which square can only be filled by one line?

#2

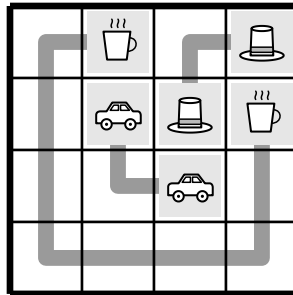

Start where there is only one way:
row 2, square 1 — it is the only square
that line can go to. Every square gets
a line.

Start where there is only one way:
row 3, square 1 — it is the only square
that line can go to. Every square gets
a line.

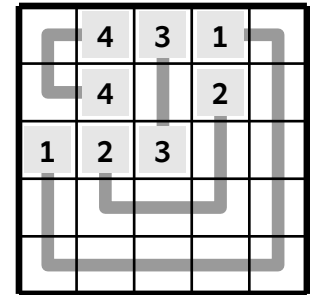

#3
