Shape Series

What comes next? Check it.

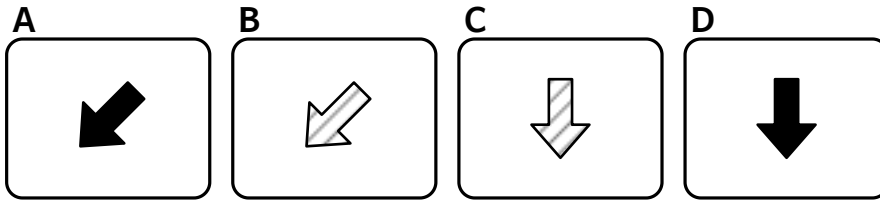

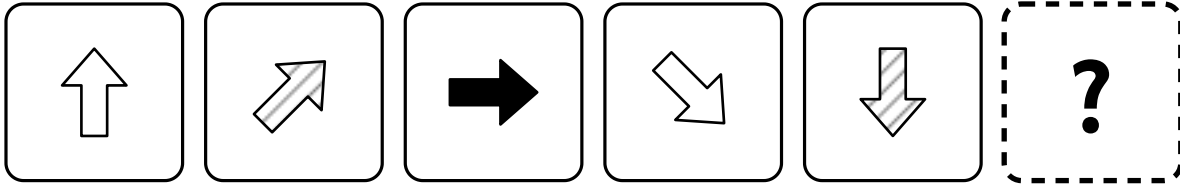

- 1 What changes from one picture to the next? What stays the same?
- 2 Draw a little arrow between the pictures and say the change.
- 3 Make the change once more. Check that picture.

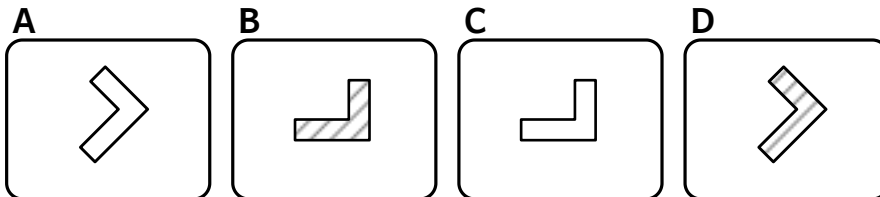

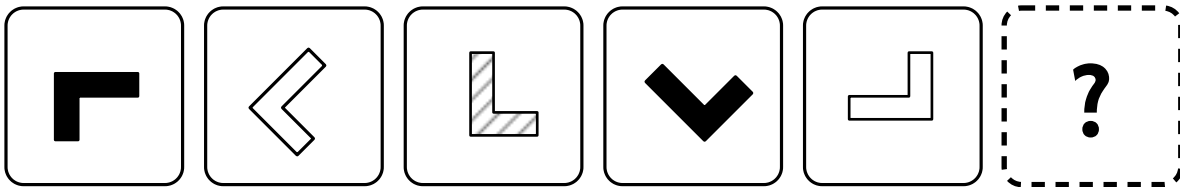

What happens each time? So what comes next?

#1

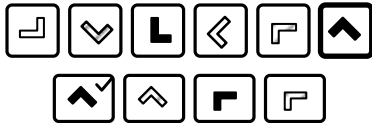

A. Each step it turns an eighth of a turn to the right; the shading goes white, striped, black and starts again.

#2

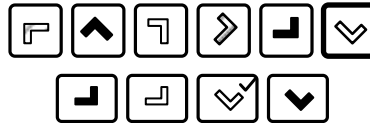

D. Each step it turns an eighth of a turn to the left; the shading goes black, white, striped and starts again.

#3

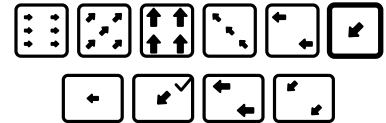

A. Each step it turns an eighth of a turn to the right; the shading goes white, striped, black and starts again.

#4

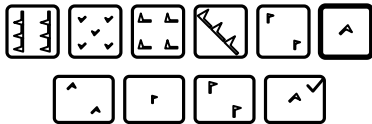

C. Each step it turns an eighth of a turn to the right; the shading goes striped, black, white and starts again.

#5

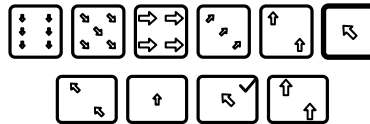

B. Each step it turns an eighth of a turn to the left; it gets one fewer; the size goes small, medium, big and starts again.

#6

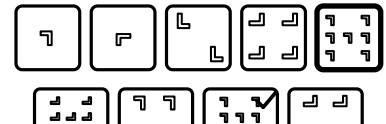

D. Each step it turns an eighth of a turn to the right; it gets one fewer; the size goes small, medium, big and starts again.

#7

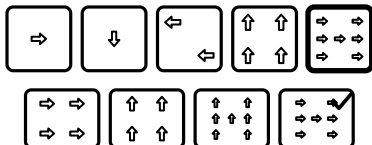

C. Each step it turns an eighth of a turn to the left; it gets one fewer; the size goes small, medium, big and starts again.

#8

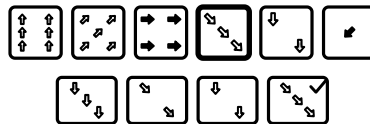

C. Each step the number jumps by one more than last time; it turns a quarter turn to the left.

#9

D. Each step the number jumps by one more than last time; it turns a quarter turn to the right.

#10

D. Each step it turns an eighth of a turn to the right; it gets one fewer; the shading goes white, striped, black and starts again, so the missing picture fits the pictures on both sides.
