Sort the Circles

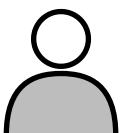

Which cards go on the circles? Write their numbers on the dashed squares.

The cards: white, no paint painted black striped small big

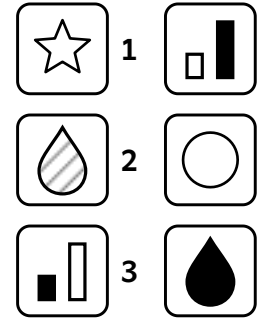

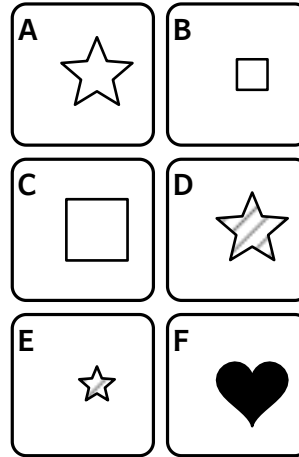

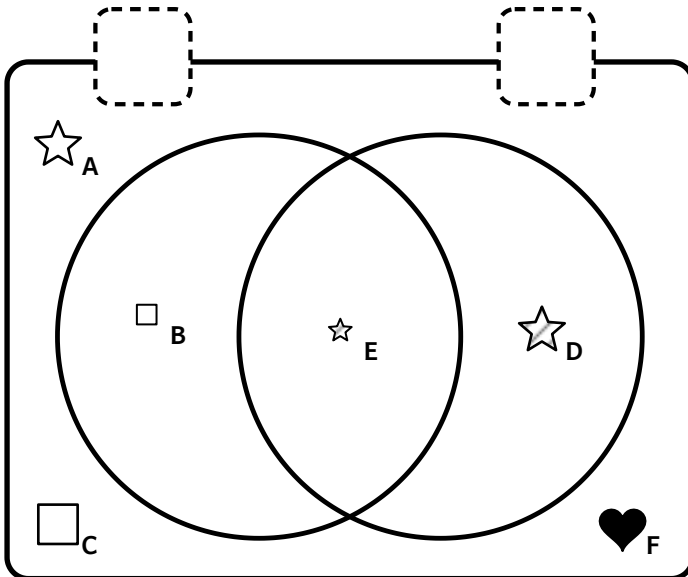

- 1 Look at the card on each circle. The panel says what it means.
- 2 A picture that fits both cards goes in the middle, where the circles cross.
- 3 A picture that fits no card goes outside the circles.

Does it fit this circle? That one? Both?

Learn · Sort the Circles

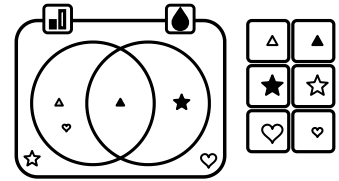

#1

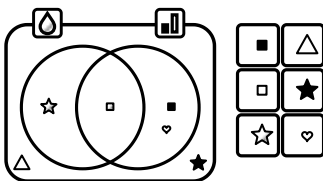

The left circle is small; the right circle is striped.

#2

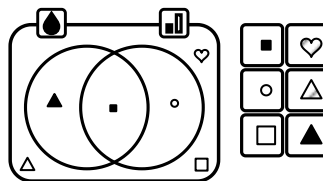

The left circle is small; the right circle is black.

#3

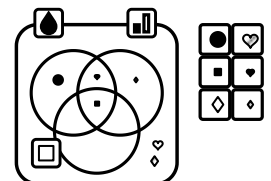

The left circle is striped; the right circle is small.

#4

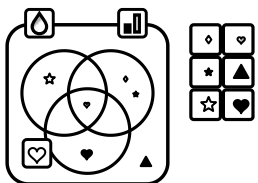

The left circle is black; the right circle is small.

#5

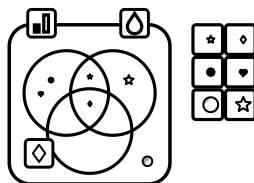

C goes in the middle: it is black and small and a square. B, E are outside every circle.

#6

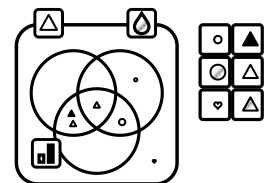

B goes in the middle: it is striped and small and a heart. D is outside every circle.

#7

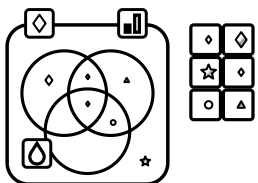

B goes in the middle: it is small and white and a diamond. E is outside every circle.

#8

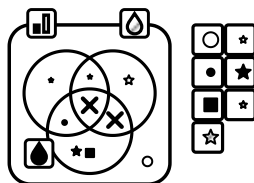

Card 3: the right circle is striped.

#9

Card 5: the left circle is a diamond.

#10

Nothing is both striped and black, so no picture can go where those two circles cross. Every other part has a picture.
