Twin Drawings

Draw the same picture on the empty dots. Count the dots for every line.

- 1 Find where a line starts. Count the dots to get there.
- 2 A steep line goes 2 dots one way and 1 dot the other. One is drawn for you.
- 3 Check each line: same start, same end, same number of dots.

How many dots across, and how many down?

1 Twin Drawings Draw the same picture on the empty dots. Count the dots for every line.
